## ABSTRACT

Faculty Staff or Administration and Alumni tends to have a big problem in terms of dissemination of information for the organization. To overcome this kind of problem, the researchers designed a mobile application that is used update alumnus, to show, share recent news and photos.

To accomplish the mission of alumni relations that is aligned to their Rowland (1986) stood that "alumni programs are the heart of the enterprise and are silent testimony to the goals and objectives of the institution" (p. 304). Weerts (2007) discovered that examination on alumni giving spotlights on four regions: investigation into singular benefactor attributes, raising support rehearses, the outer climate, and institutional qualities. This writing survey will sum up the examination in every one of these spaces with exceptional thoughtfulness regarding the class of individual contributor attributes. Also, this audit will give a concise rundown of the hypothetical casings normal in the writing.
